SUBJECT: **Application for Appointment to the Florida TSA Board of Directors for 2017-19**

The time for annual appointments to the Florida TSA Board of Directors is here again. If you are interested and have the volunteer hours to participate, we would like to hear from you. Applicants are expected to attend and participate in three board meetings and two statewide conferences each year. In addition, applicants will be asked to accept volunteer duties preparing for and supporting the meeting and conference schedule. We ask that you give careful consideration to the responsibilities. If you do indeed have the time and commitment, please fill out the attached application and return by January 27, 2017.

Board members are generally appointed for a two (2) year term and the dates of the next appointment are from May 1, 2017 to April 30, 2019. The two-day board meetings are generally held three times each year. The meetings during school time are held on Friday and Saturday to minimize instructor time out of the classroom. The statewide conferences will be in Fall and Spring. The number of days out of school (weekdays) for each of the two school years is seven (7). Board members are expected to attend all these functions in their entirety. Meals and mileage expenses are reimbursed for all board meetings. A room allowance is also provided to board members. If you have any questions please inquire prior to applying.

Candidate applications will be reviewed by the Board Selection Committee and appointments will be announced at the State Conference. If you are selected, it is imperative that you attend the first board meeting this May 2017. Positions are limited, so please do not be offended if you are not selected at this time and please apply again next year. This board serves the entire state. It is the selection committee's goal to represent all regions within the state. We also seek industry input to our board, so that not all members need be educators. Please contact the Florida TSA Executive Director if you have any questions.
