### *Conference & Competitions:*

Welcome back and we hope you are looking forward to the **2022 Florida TSA Leadership Conference**. This year's theme is centered around Greek Mythology and its Pantheon of Gods. The **TSA: Mount Olympus** theme for this year's leadership conference will offer chapters an opportunity to team build in the spirit of mythic revelry, wonder and triumph. The gods had many roles but common among them they were leaders. Like your students they possessed many powers, styles, and values which made them unique and powerful all the same. Ideally teams will use this time to explore their individual skills and ethics to bring back to their chapters as their own pantheon.

All Covid practices will be announced prior to the conference per school district and CDC guidelines. Given the opportunity to gather and learn to lead, chapters should plan to attend and have a great start to an incredible year for all.
