

Space Coast Regional TSA Rule Modifications

(TSA Competitive Event Guide will be followed for any events without modifications listed below)

Space Coast Regional – Essays MS Format

- 1) Students will need to access Judge Pro online on Friday, December 2nd from 8am – 7pm to get the prompt required for the outline. The system will close at 8:00pm.
- 2) Students will have one hour to write the outline.
- 3) Students should have access to a scanner to scan their work and upload to Judge Pro prior to accessing the prompt.
- 4) Students will have 1 hour and 15 minutes to upload to the system from the time the prompt is accessed. 1 hour for the outline and 15 minutes for the upload process.
- 5) Students need to bring their outline to the onsite competition on Saturday, December 3rd where one hour will be allocated to write the essay. Both the essay and original outline will be submitted onsite.
- 6) All other event requirements from the event guide will be followed. This format is the best way to simulate what will happen at the FL TSA State conference with one session to write the outline and second session the next day to write an essay. Students in this event at Space Coast Regional will be able to participate in both segments of this event.

Space Coast Regional – Essays HS Format

- 1) Students in this division will need to bring a laptop to Space Coast Regional in accordance with TSA competitive event guide rules.
- 2) The laptop will need to be fully charged and able to last for at least an hour. Space Coast Regional TSA is not required to provide power.
- 3) Space Coast Regional Modification is that this computer must have WIFI access. The event prompt will be on Judge Pro.
- 4) The final typed essay will need to be uploaded to judge pro immediately upon writing it.
- 5) Students will be responsible for obtaining their judge pro user name and password from their advisor.

Space Coast Regional – Career Prep

- 1) Students in this division will need to upload their entry by the posted deadline in Judge Pro prior to the conference.
- 2) All students that submit on time will participate in the onsite interview segment of this competition.
- 3) A printed list of students who submitted on time will be provided to the event coordinator.

Space Coast Regional – Video Game Design MS and HS & Website MS and HS

- 1) Students in this division will need to upload their entry by the posted deadline in Judge Pro prior to the conference.
- 2) All teams that submit an entry will participate in the onsite interview segment of this competition.
