President's Welcome

Hey Florida TSA!

The Florida TSA Officer team is so excited to join you in the wizarding world of TSA for the 2023 Leadership conference! Grab your brooms and get ready to experience events like; the triwizard tournaments, the Yule ball, and so much more!

Over the next four days we hope you have a magical experience competing with your fellow wizards in games of chance and skill. During the Triwizard tournament you and your team will go head to head with other powerful wizards and compete to be the best!

Dress in your best gown or robes when attending the Yule Ball! We hope you dance the night away with your wizarding pals. During the Yule Ball you will also have the opportunity to visit Diagon Alley and its games of chance!

Booths will be available in Diagon Alley where you and other wizards can compete for small prizes through games of chance! Using tickets to buy chances at multiple booths we wish you the best of luck and riches!

Sincerely your President,

-Keirstin Hecht

Chapter Spotlight

In the last several years of being part of Florida TSA, Milwee Middle School has made a name for themselves— not only for their successes at the State Conference but also for their positive and uplifting spirit! We asked Milwee chapter members a few questions about their TSA experience, and they told us that their favorite thing about their chapter was that they are always willing to help one another.

Milwee seems off to a great start this year, meeting regularly to work on competitions, entering new events, and focusing on improving their time management and leadership skills. If they had to give one piece of advice to other members as they're preparing for this season, it would be to read the rules and not procrastinate.

Even though they're working hard to achieve their goals, if they had to describe their chapter in one word they would choose the word "fun!" They enjoy working together as a team while having fun and are motivated and inspired by the enthusiasm of their teammates. They're excited about the theme of the Leadership Conference and look forward to meeting students from other chapters. Can't wait to see you all there!

To have your chapter featured in our next informer, please reach out to us on Instagram (@fltsa) or through our email address (florida.tsa.officers@gmail.com).

Breakouts and Alligon Bowl

Here at Hogwarts, we pride ourselves in our ability to speak out to the student population. During your stay here, you will have the opportunity to listen to presentations from the state officer team along with some alumni of TSA! You'll hear presentations all about how to be a leader and build up your leadership skills. Some of the skills we'll be focusing on are responsibility, empathy, communication, accountability, honesty, and listening!

Not only that, our alumni will be speaking about Digital Footprints, How You Should Carry Yourself While Presenting, Marketing TSA for College, and will be opening a Q&A panel where you can ask questions about how to become a better leader and member of TSA! While all these presentations sound incredible, I would be remiss if I didn't mention the annual Alligon Bowl, the Triwizard Tournament!

This year, we have several activities lined up for you to sharpen your leadership skills and learn about what it means to lead and be part of a team. We have Fantasy Trivia, an Introduction to Potions class, a Shopping Spree at the famous Diagon Alley, Quidditch, and so much more! Come on down and check out what's in store for you at the Triwizard Tournament!

We hope you find the magic here at this year's leadership conference and enjoy the time you spend here with friends, new and old. Let's have a blast, wizards, witches, and warlocks!

-Nicholas Sevarino, Secretary
