PRESIDENT'S WELCOME

Hey Gang! Welcome to the 2023-2024 State Conference. We are so excited to have you come along with the Mystery Gang to solve clues and unmask mysteries. While you're here at the conference, the state officers have plenty of mini mysteries to keep you busy, along with your competitions. We encourage you to participate in as many spirit activities as you can to earn your Chapter Spirit Points! Throughout this conference, remember to have sportsmanship like attitudes and be respectful to the hotel staff and visitors!

Can't wait to see you soon!

MEMBER SPOTLIGHT

Kacey Mettille, Braden River Middle

It's Kacey's third year in TSA, and her favorite events are Chapter Team, Biotechnology, and Construction Challenge. Kacey's favorite TSA memory is getting lost while trying to do a photo scavenger hunt around the Nationals hotel with their chapter, but still winning a free dessert, after which their advisor started walking around barefoot in the middle of a nice restaurant. In the future, Kacey plans to become a successful architect, travel out of the country, and get a motorcycle. If she could only eat one thing for the rest of her life, it would be crab rangoon.

Daniel Berry, Southeast High School

Daniel has been in TSA for six years now, and his favorite event is Animatronics. His favorite TSA memory is when his hotel room caught on fire at States because of a faulty drone battery and he had to get on a stage in front of the delegation using his friend's clothes! He wants to become a roboticist, watch the sunrise after climbing Mt. Fuji, and race a Porsche GT3RS. In the event of a zombie apocalypse, Daniel would live on an oil rig and farm/fish off of it.
