Presidents Welcome

It's lights out and away we go! Welcome to the 2026 Florida TSA State Conference! The State Officer team is so excited for all of you to experience all of the exciting things we have planned for Formula TSA!

Make sure to stop by the paddock for the mixer, where you can support the American Red Cross and participate in some fun booth activities created by your chapters, and see if you're quick enough to beat the escape rooms.

See if you can take home the checkered flag and win the spirit stick by participating in our spirit events. You can find information on spirit events and other important conference information by following @fltsa on instagram.

We can't wait to see you test your skills and speed in all your events, and we hope you have fun all the way to the finish line. Good luck with your competitions, and we can't wait to see all of you on the podium!

Benjamin Barr - President

Spirit Events

This year we will be bringing back the spirit events to the state conference! Spirit events are great opportunities for chapters to have a chance to have fun together and bond through F1 themed minigames.

Spirit points will be awarded at each spirit event and are based on not only winning, but also attendance. The chapter with the most spirit points will be recognized at the awards ceremony and will be awarded with the Florida TSA Spirit Stick! Similar to last year's conference, the winning chapter KEEPS the Spirit Stick that's themed to this year's conference.

All spirit events are free to participate in, so we hope that chapters bring as many members as possible for the best chance of winning!

The schedule for the spirit events will be posted on our Instagram, @fltsa. Be sure to regularly check our page for any details or updates on spirit events. I can't wait to see everyone participate!

Good luck racers!

Isabella Ramsey - Vice President

Tips for States

Hello TSA members and welcome to the grid! Congratulations on qualifying for the Florida TSA State Conference! This weekend is a big deal and can feel overwhelming at first, but being prepared will make the experience much more enjoyable. Before you leave, double-check that you've packed personal items like toiletries, chargers, and any schoolwork, along with everything required for your events, including projects, presentation materials, and proper TSA attire.

With long days ahead, it's important to plan how you'll eat and stay hydrated. You can't race on an empty tank. Plan meals with your chapter, bring money for food at the venue, or use a food delivery app for your hotel, and don't forget a reusable water bottle. Be sure to also bring spare change for Miracle Minute, a new TSA tradition where donations are collected to support the American Red Cross. Every coin counts!

All event times, locations, and major sessions such as the Opening Session, Business Meeting, and Awards Ceremony can be found in the conference program, so reviewing it ahead of time will help you stay on schedule. Elevators can get busy, so leave extra time to get where you need to go. While you're there, keep an eye out for Florida TSA's mascot, Alligon, Florida TSA's mascot! You may see him around the conference, he can also be spotted on the Florida TSA state finalist pins. State conference is your chance to push your limits, show your skills, and compete with the best. Stay prepared, stay focused, and most importantly, enjoy the ride!

Ticket Prices

Hey Florida TSA! A part of our TSA events is doing fundraisers for the organization that partners with us, and this year, we started a partnership with the American Red Cross. So, what exactly does a partnership with them mean? Well, this means that the money we make from fundraisers at States, including the escape rooms, video game competition, and mixer booths, will be donated towards their cause, which is to prevent and alleviate human suffering in the face of emergencies by mobilizing the power of volunteers and donors.

On Friday, March 27th, we will host our States Mixer in the main ballroom area, featuring our booths, games, TSA's Got Talent, and a fashion show to raise money for this wonderful organization and all that it does. Please make sure you bring cash, as that is the only form of payment for tickets and events. Prices for the States Mixer are as follows:

- \$5 - 10 tickets
- \$10 - 20 tickets
- \$25 - 50 tickets
- \$50 - 100 tickets

Escape Room- \$5 per person

Conference T-shirt- \$15

Video Game Tournament- \$5 per person

We hope that everyone will come out and be able to participate in all of our events during the mixer to have fun, play games, and win prizes, but most importantly, have fun at our State Conference!

Creative Ideas

Hello Florida TSA,

Competing in team events is a great opportunity for team building and creative problem solving. Below are a few ideas to help your chapter plan and complete projects!

Online platforms: Using a shared digital platform like a document, spreadsheet, or even a customized slideshow presentation to record and share project plans can be a fun and easy way for teams to stay updated.

Tracking progress: In addition to making a plan, recording what your chapter accomplishes at every meeting can be inspiring, and gives your chapter more to celebrate.

Project meetings: Outside of chapter meetings, teams can plan days to complete work on a specific event.

Have fun competing at the state conference!
